NPCS

Muninn and Huginn

Odin's Beholders, these messengers can take the form of crows. They seem to be manipulating events, but to what end remains a mystery.

Assassins

The ancient order of Assassins have maintained the balance of power in Midgard for centuries. A truly neutral organization, when any one group tips the scales with bloodshed, the Assassins repay in kind.

The story so far...

As days become short and the chill of winter sets upon our land, let us gather round and hear a tale of heroes and villains from an ancient land. Perhaps the flames of battle and the burning hearts of the vengeful can provide you some warmth in these cold times. This being the fourth installment of an epic story, let me remind you of what events have landed our players in their current situations.

1,000 years ago a war was waged between men, gods and demons for the fate of the world—the battle was called Ragnarok. Asgard did not fall and the fates of the mortal races are still in the hands of the god. As our story begins, Balder and Fenris, who died fighting to end the age of the gods, have been reborn in human form. Fenris is now a beautiful warlock and Balder resides in the body of the rune knight, Chaos, who has no knowledge of his divine past. The goddess Freya, who now rules Asgard, has sent her Valkyries to eliminate the two.

Another warrior hunts Balder – Skurai, the Cursed Prosecutor. He tracked the scent of a powerful blood to Chaos's hometown, Fayon, just as the city was under attack by the Valkyrie, Sara Irine. Chaos summoned the great dragon Nidhogg, proving his divine heritage, and defeating Sara and Skurai. Balder's mother, Frigg, visits Chaos and his companions, telling him that he is the only one capable of saving the world. His first task is to seek out "He who is both human and not."

Unbeknownst to Chaos, Skurai and Sara Irene were spared from death by agents of the gods. Skurai made his way to the Assassins' Guild, the sacred home of the ancient order of Assassins, in search of more powerful blood to quench his cursed swords thirst. The elite members of the order were on assignment, executing a corrupt follower of the demon Surt, when Skurai attacked. With its defenses lowered, the town was reduced to rubble and every Assassin slain. As the sun rises on our next chapter, the blood will flow once more in Ragnarok Vol. 4: Dawn of Destruction.

I'D LIKE TO THINK THAT I WAS RIGHT.

BALDER...IS THAT REALLY MY NAME? WAS I REALLY A GOD?
SHE SAID SHE WAS MY MOTHER... AND I KNOW IN MY HEART THAT SHE SPOKE THE TRUTH THERE...
...
BUT THERE'RE SO MANY GAPS, SO MANY MISSING MEMORIES! I'M HUMAN NOW...BUT WHAT ABOUT BEFORE TWO YEARS AGO?
I FEEL MORTAL, FEEL HUMAN... BUT SOMETHING IMPORTANT'S MISSING... WHAT HAPPENED TO ME?
WHOOO!!!

SO MANY QUESTIONS, SO MANY MASKS...
Why?

A MOST DIFFICULT, DIFFICULT TASK.
WOOOOO
WHO ARE YOU? HOW DID YOU KNOW WHAT I WAS THINKING?
.....

ON THE ONE HAND, A LONE WARRIOR STRUGGLING TO OVERCOME THE MACHINATIONS OF THE GODDESS FREYA...
ON THE OTHER HAND, A SINGLE SOUL BATTLING TO FIND HIMSELF, MORTAL AND GOD TOGETHER AND APART.

YOUR JOURNEY IS A DUAL ONE, DESTINY AND DISCOVERY, A JOURNEY TO FIND THE ANSWERS TO WHY YOU ARE HERE IN THIS WORLD...

MY NAME IS SKULD. I AM GUARDIAN OF THE FUTURE.

GUARDIAN OF THE FUTURE? DOES THAT MEAN YOU KNOW WHAT'LL HAPPEN? CAN YOU TELL ME?
I'M SORRY, CHAOS. THAT I CANNOT DO.
YOU SEE, YOUR FUTURE IS NOT YET DETERMINED.
BUT MY DESTINY IS!
YES, THAT IS TRUE. YOUR DESTINY IS ALREADY DETERMINED.

BUT THAT DESTINY IS MERELY A SMALL PART OF A MUCH GREATER PLAN.
YOU, YOUR FRIENDS --- ALL LIVING CREATURES --- MAKE THE FUTURE.
ALL LIVING CREATURES ...
THAT IS CORRECT. ALL LIVING CREATURES, IN CONCERT, DETERMINE THE FUTURE. THAT IS HOW IT WAS MEANT TO BE.

ONE WARNING I CAN GIVE YOU. THE ONE YOU SEEK...
HE WHO IS "HUMAN AND NOT"...IN TURN SEEKS YOU...
GRR
...IN ORDER TO TAKE YOUR LIFE.
TAKE... MY LIFE?
BUT WHY? WHY WOULD HE WANT TO KILL ME?
BECAUSE OF A MIS-UNDERSTANDING, HE SEEKS REVENGE UPON YOU.
YET, IF YOU CAN CONVINCE HIM OF THE TRUTH, HE WILL BE OF ENORMOUS HELP TO YOU IN FINDING THE ANSWERS TO ALL YOUR QUESTIONS.
I CAN EXPLAIN NO FURTHER. ALREADY FREYA MAY SUSPECT I SPEAK WITH YOU IN YOUR MIND...
FREYA?
I HAVE DARED COME OUT OF HIDING TO DO WHAT I COULD...
BUT FREYA'S EYES ARE EVERY-WHERE...

I MUST GO, BEFORE SHE GROWS WISE.

THE MOST DEDICATED, SKILLED WARRIORS OF MIDGARD!

THE SYMBOL ON CHAOS'S SHIRT MEANS HE SOMEHOW HAS A CONNECTION TO THEM!

COSMIC?
THE ULTIMATE FORM OF MAGIC.
IT WAS PURE FORCE, PURE COSMIC POWER.

IT'S MORE POWERFUL THAN THE RUNES. IT'S THE ENERGY AROUND US, THE FORCES HOLDING MIDGARD TOGETHER, THE VERY LIFE-STREAMS OF EVERY CREATURE!

IT'S SAID IN THE OLD WRITINGS THAT THOSE WHO WIELD IT CAN SHAKE THE VERY MOUNTAINS, RAISE UP THE SEAS, AND FILL THE HEAVENS...AND BECOME IMMORTAL.

BUT HOW CAN ANYONE WIELD SUCH POWER?
EVERYONE HAS THE POTENTIAL, BUT FEW CAN WITHSTAND THE STRAIN, THE TRAINING IT WOULD REQUIRE.

IT WOULD REQUIRE TREMENDOUS SACRIFICE, TREMENDOUS DANGER, BUT THE REWARD WOULD BE INCREDIBLE!
THAT'S THE ONLY WAY HE COULD HAVE HEALED HIMSELF.
THE ONLY WAY HE COULD DO ALL HE'S DONE SO FAR.

THE QUESTION REMAINS, THOUGH...

RAGNARÖK

The golden city of Prontera is under attack from Himmelmez, a Valkyrie and necromancer who commands the armies of Nilfheim. Her master, Freya, seeks the pieces of Ymir's heart, Midgard's lifeforce, in order to ensure that her reign will last another 1,000 years. Chaos and his companions enter Himmelmez's flying fortress to stop the Valkyrie, but they'll need the assistance of Loki if they hope to come out alive.

Chaos' quest takes a turn for the darker in *Ragnarok Volume 5: Twighlight of Terror*, coming January 2003.

MEET THE CREATOR OF RAGNAROK, MYUNG-JIN LEE!!

(interview originally appeared in *CHAMP Magazine*, where Ragnarok first ran in Korea).

CHAMP: Hello. How are you doing?
LEE: *Fine, I'm doing well.*

CHAMP: But your face is so pale, and your studio is chaotic.
LEE: *Gasp…The truth is…I was working late last night.*

CHAMP: As always, you're cutting it real close.
LEE: *(With a guilty expression on his face) I try not to but it's easier said then done.*

CHAMP: Relax. I'm not here because of the deadline. I'm here on behalf of "Go! Champ Reporter."
LEE: *(Relieved expression) Ah, That's right.*

CHAMP: First, let me ask you some questions from our *Ragnarok* readers. When did you first come up with this story?
LEE: *Actually, from the very moment I started drawing manwhas, I was already conceptualizing* Ragnarok. *It was probably when I was in Junior High. Although there was the project I ultimately wanted to work on. In a sense, although I met my readers for the first time through "I feel…night," Ragnarok was conceptualized first.*

CHAMP: I see. From what I understand, *Ragnarok* is an extremely long piece of work, exactly how long is it?
LEE: *Just as you said,* Ragnarok *is an extremely long piece of work. Currently, the time line for the series is almost 10 years, and it will encompass approximately 40-50 volumes. Of course, during the series there could be changes.*

CHAMP: Many of the readers complain that *Ragnarok* is too confusing and too difficult to understand, what is your take on that?
LEE: *It's inevitable.* Ragnarok *is a colossal story with many characters. Also, the story, currently being serialized, is 1000 years after the "war of the gods." Eventually, Chaos, our protagonist who was reincarnated with no memory of his previous life, will learn the secrets about his current self and his former life and the story of* Ragnarok *will unfold in it's entirety.*

CHAMP: Why didn't you make it simple for yourself and start the story from the "War of the Gods?" Then it would have been easier for the readers to understand, as well.
LEE: If I had started the story from the "war of the gods," Ragnarok would have been a predictable story. My hope is that the readers will bond with Chaos, our main character, and together discover the enormous secret and unexpected occurrences, and begin to comprehend the story little by little. This might sound grandiose but just like our future and fate is uncertain, amidst the questions within my manwha, I would like everyone to discover the facts slowly and understand it in little steps. With that in mind, I'm hoping the readers will say, as they read the manwha, "Ah, so that's what it was."…

CHAMP: I think you're asking for too much from our readers.
LEE: *(Laughing) Do you think so? Then I'll have to apologize.*

CHAMP: While we're on the topic, in order to facilitate our understanding of Ragnarok, please give us a succinct explanation of the entire work.
LEE: Ragnarok *is composed of 7 categories. 2, 3 and 4 are the main stories while 1, 5, 6 and 7 are the supplementary stories. Category 2 is about the war of the gods. Category 3 is the current "INTO THE ABYSS" sub-titled story, after the "war of the gods". In category 4, sub-titled "ESCAPE FROM THE ABYSS," a fierce battle will ensue heading toward an intense finale. The supplementary stories (1, 5, 6 and 7) will be comprised of stories about characters that were not developed in the main story, and a prequel to the main story.*

CHAMP: I see. Can you explain the meaning of the title Ragnarok, and the time and space of the setting?
LEE: *The term "Ragnarok" appears in Norse mythology and it means the "Ultimate war of the gods." In regards to the settings' time, since the concept is a mythological story, it's hard to pinpoint a time period. And the universe is divided into "Midgard' and "Asgard." 'Midgard' is where the morials live, earth, this world. 'Asgard' is the world of the gods and it's a limitless world, thus it's not farfetched to assume they reside in space.*

CHAMP: How are the characters categorized, for example, in terms of good and evil?
LEE: *Gods, demons, giants, humans, dwarves, and new lifeforms of various kinds will be introduced. You mentioned the term good and evil, however, in mythol ogy it's hard to distinguish between what is good and what is evil. What man sees as evil may be good to "others."* Ragnarok *is merely revealing to the readers, how man searches and finds his peace and freedom within the chaot ic world of the gods.*

CHAMP: I see, that is what *Ragnarok* is trying to tell us.
LEE: *That's right. Through* Ragnarok, *it is revealed to the reader that a diminutive, weak and inconsistent race like man can be limitless, even more so than a race of gods. If the character Chaos, in* Ragnarok, *symbolizes freedom and chaos, then the goddess Freya symbolizes perfection and order, resulting in their antagonistic relationship.*

CHAMP: I think I understand but I'm not too sure.
LEE: *Honestly, although I'm the one talking it is somewhat difficult to explain. For a precise explanation, the readers will have to read* Ragnarok *and find out for themselves.*

CHAMP: Now let's change the subject and go on to a different question. What are some difficulties you have found in developing *Ragnarok*?
LEE: *I'm a little embarrassed to say this especially since* Ragnarok *is on a bi-weekly schedule but I most definitely need more help in production, this is where I find the most difficulty. It's especially so because of the longevity of the assistants (or lack thereof). I need assistance in writing the story, researching and especially drawing the scenery.*

CHAMP: There are many compliments as well as criticisms about *Ragnarok*, what are your thoughts on these?

LEE: *I'm grateful for their comments. Whether it's compliments or criticisms, the mere fact that they are talking about my work is a reflection of their interest in it. I believe that you can't please everyone, and I'm merely writing for those readers who like my work.*

CHAMP: Lastly, do you have a favorite motto and if so, what is it, and what would you like to tell the future manwha artists?

LEE: *I'm a little embarrassed to say this, especially since I don't consider myself as a manwha-ka yet but this is something I've always liked saying, "Dreams come true!" It's a mere coincidence but it's also a title of a song. If you have a dream, pursue it and don't give up. Then someday it will become a reality. During difficult times, repeat to yourself" Dreams come true!"*

CHAMP: Thank you for taking time away from your busy schedule to meet with us. Is there anything else you wish to tell our readers?

LEE: *Readers! Thanks for all your interest in my work. Wishing all of you health and happiness.*

Dawn of Destruction

Loki, greatest of all Assassins, returns to his guild only to find it in ruins and his brethren slain. The only clues to the architect of this destruction are the symbol of an ancient order of warriors and the name "Chaos." His heart set on vengeance, Loki sets out to find this Chaos and repay him in kind.

Another killer, the cursed swordsman Skurai, is on Chaos' trail. He seeks the blood that will satisfy his demon sword's thirst, and if his instincts are correct, Chaos' blood will do just that. Last time he and the Rune Knight met, Chaos escaped. Skurai carried out the Assassin's Guild massacre to set a trap for Chaos; weakened by a battle with Loki, he should be easy prey. Destiny brings these three great warriors together, but in the mortal realm of Midgard, destiny doesn't always go as the gods planned.

"Myung-Jin Lee's RAGNAROK is full of mystery and magic, with some truly spectacular scenes of otherworldly combat. This take on Norse myth, somewhere midway between OH MY GODDESS and Marvel's THOR, is like nothing you'll see anywhere else."

Author of The Ethshar Series and The Dragon Society
